Brockham Parish Council votes to register objection to scheme

NEXT

The application will be presented to Mole Valley District Council at the July Planning Meeting at which representations from the public will form an important part of the Council's evaluation of the scheme.

The Tanners Meadow Action Group will give a presentation at the Planning Meeting where they will oppose the scheme. The more objections registered with the Council the stronger their voice will be.

YOUR OPINION MATTERS

What can you do:

- Look at the plans on the MVDC website (www.molevalley.gov.uk/planning) and use planning reference MO/2018/0700
- Register your comments with MVDC
- Write to your local MP, Sir Paul Beresford

The field at Tanners Meadow is known by everyone locally as an area which floods and previous applications have been rejected by Brockham Parish Council, Mole Valley District Council and Public Enquiry.
